PERSONAL STATEMENT

I am a Teacher of Science in a public secondary school since 1997.
 I use new teaching methods, new educational tools and ICT technologies. But the teaching of natural sciences passes through the laboratory first, so along with other colleagues, we have pursued and created a modern and complete lab in my school.
 I participate in many projects about environment, health, civilization and European projects. (Comenius, Erasmus+)
 I am a person who likes his job, I am open-minded and communicative.
