PERSONAL STATEMENT

I am 17-years old student. I can easily say that I have always been an achiever; be it academics or professional life or sports or any other field in my life. I believe in success through hard work and dedication. What is more, I enjoy life to the fullest and love humour. I am a very simple human being. My favourite pastime is to read some interesting books, listen to good music or just watch latest movies. so what really makes me special? Well, my aim in life is to serve people without any expectation. That is also why I always try to do my best in any activities I manage to do. In the future I am looking forward to become a doctor with specialization that will fit my interests.

Communication skills

■ I have very good communication skills as a constant participant in many charity actions as well as in bigger parties for example in Silesian Air Show where I was the main connector between participants, pilots and the chairman of the board. In addition, I enjoy working as a team member as well as independently.

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent user	Independent user	Independent user	Independent user	Independent user
