

Strengths:

- Communication
- Motivation
- Respect For Diversity
- Raising Awareness Of the Immigration Issues
- New Relations Among The Participants
- New Perspectives For The Next Project
- Powerful Partnership
- International Dimension Of Schools
- New Skills

Weaknesses:

- The Number Of Mobilities For Students (too few)
- Getting Visas For Students/ Grey Passport (Turkey)
- Language Differences
- Administrative Problems
- Different Policies of National Agencies
- Difficulties in Finding Host Families
- Too Low Budget For The Transnational Meetings/ and for the students
- Xenophobia

Internal

Opportunities:

- The Possibility of Further Cooperation
- Language Improvement
- Mastering The 21st Century Skills (teamwork, ICT, project management, leadership, planning, finding sponsors, charity, self evaluation, entrepreneurship... etc)
- Long-lasting Relationship

Threats:

- Xenophobia/Stereotypes/Racism/Intolerance
- The Political Situation in Different Countries
- Unexpected Termination of Ongoing Projects/ Erasmus+ Program
